

You help your patients get a clear image of their health.  
We'll help you create a clearer image of your risks.

### Proven business coverage in an ever-changing healthcare environment

With increasing demand for radiology services, advances in technology and an array of new and sophisticated procedures creating unique diagnostic and therapeutic professional liability risks, it is more important than ever to have an insurance carrier that has a clear picture of your needs. With more than 40 years of experience in the healthcare industry, CNA is a trusted leader and one of the top five underwriters of healthcare professional liability insurance products and services in the U.S. Whether you operate a radiology lab, magnetic resonance imaging center or other medical imaging facility, CNA offers you the valuable insight and core coverages you need to help protect your organization.

### An experienced approach to protecting your assets

Our dedicated CNA HealthPro underwriting team consists of professionals with an average of more than 15 years of experience in the allied healthcare facilities market. We understand the ever-changing landscape of the healthcare industry and the unique risks related to the clinical services our customers provide. We draw upon this expertise every day as we work with our customers to determine how the services they provide are evolving in order to further develop tools and tailor coverages to help protect their organizations.

### Smart coverage options for the spectrum of medical imaging organizations

Our insurance products for imaging and radiology centers are structured to provide a broad spectrum of protection for various aspects of each customer's organizational needs.

#### Core Coverages:

- Healthcare Professional Liability
  - Coverage available for portable and mobile units
  - Professional liability coverage is available for physicians
  - Coverage available for multi-state operations

## Count on CNA claim service excellence when you need us most

CNA HealthPro Claim is comprised of more than 100 professionals, located strategically throughout the U.S. Averaging over 22 years of service in the industry, we are dedicated to resolving even your most complex health-care claims in a timely and fair manner. With experience as attorneys and healthcare providers, our claim staff resolves thousands of claims—for individual allied health-care providers as well as the largest integrated delivery systems—every year. The result is an impressive breadth and depth of insight that helps us stay ahead of legal trends and developments in order to better protect our policyholders when a claim arises. And when necessary, our legal defense team brings together nationally known defense attorneys and expert witnesses to develop innovative claim management and legal strategies to achieve the best possible outcome. Because we understand the many varied services provided by allied healthcare facilities, including imaging and radiology centers, you can count on CNA HealthPro Claim to deliver responsive, professional and equitable service.
