Attention Agents and Brokers: CNA Announces Preferred Pricing for MVR Service through USIS

For a limited time, USIS is offering CNA's partners a special reduced rate for its MVR service. Through this offer, USIS will waive its normal set-up fee of \$199 and reduce its on-site inspection fee from \$119 to \$75. This represents a \$243 savings! In addition to the set-up discounts, USIS is also offering CNA's partners a reduced MVR service fee rate (see table below for discounted pricing). **This service fee is in addition to the state fees for MVRs.**

To set up your account with USIS, or for a list of the individual state fees, please contact Ed Crussell at USIS and mention this special offer.
