

**Close the door on insurance fraud,  
before it closes your doors.**

When a co-worker fakes an accident, pads medical expenses or unfairly milks the system, it makes it harder for your company to compete and stay in business. That hurts you because if your company closes, you lose your job.

Your employer vigorously investigates all cases of suspected insurance fraud. You can help by reporting fraud if you see it and by discouraging anyone you know who may be considering it. Insurance fraud hurts all of us. Let's work together to stop it.

To report an insurance fraud suspect, call the CNA Fraud Hotline at 1-888-679-9252.
