

**Insurance fraud.  
No one gets away with it.**

There are no "do-overs" in real life and nobody knows that better than the man or woman who gets caught committing insurance fraud. Among other things, getting arrested and prosecuted is really embarrassing. It's just not worth it.

You will be caught because your employer has teamed up with other employers, insurance companies and law enforcement to stop workers' compensation and other kinds of insurance fraud.

You won't get away with it so don't even think about insurance fraud. To report an insurance fraud suspect, call the CNA Fraud Hotline at 1-888-679-9252.
