

**Commit insurance fraud,  
and you'll be marked for life.**

Insurance fraud is a crime and getting away with it is harder than it used to be. That's because insurance companies have teamed up with employers to catch people who commit insurance fraud.

Whether it's padding a Workers' Compensation claim or filing a phony theft report, your employer vigorously investigates and prosecutes fraud. So don't do it. Fingerprint ink leaves a nasty stain.

To report an insurance fraud suspect, call the CNA Fraud Hotline at 1-888-679-925
