

Risk Reimagined: Turning Insight Into Impact

An On-Demand Professional Liability Educational Platform

As a CNA policyholder, you receive access to our industry-leading self-study website. This resource features a two-hour course that helps you identify exposures in your legal practice and introduces relevant techniques that can help you manage and minimize your professional liability risks. This easy-to-use platform is accessible from any computer, laptop or tablet.

Your CNA policy number is required for registration. To register, follow these simple steps:

- 1. Access the website.**
- 2. Enroll:** You should begin by clicking "Add to Cart" in the bottom-right corner of the registration page. Fill in the required form fields and then click "Register" at the bottom to continue. You may only take the on-demand course once during the 2026-2027 period. You must input your first and last name and your email address when registering for the course. Inputting the proper information has an impact on your registration and ability to receive the premium and CLE credits.
- 3. Pay:** After filling in the form fields, you will be brought to a payment information page. Click on "Click Here to Pay" to be brought to the payment page through PayPal. If you have a PayPal account, simply log in with your credentials. If you do not, click "Pay with Debit or Credit Card", provide your payment information and click "Pay Now".
- 4. Access the Content:** After payment is made, you will be redirected back to the access details. You will also find the access instructions in your email. Click "follow this link" under Web Access to launch the program. Please note that the system tracks your login time and will require you to randomly interact with the program through its completion in order to comply with state CLE requirements.
