

# Small Business Insurance Solutions for Management Consultants

Management consultants are in high demand as organizations navigate increasingly complex challenges. Over one million professionals in the U.S. now work as management consultants, and that number is expected to grow by more than 10% over the next decade.

As more companies worldwide turn to management consultants and opportunities emerge in a variety of industries, CNA's experienced professionals can provide tailored coverage solutions to address unique and evolving needs.

## Reasons to Choose CNA's Small Business Solutions for Management Consultants

- ✓ **Comprehensive offerings:** For consultant classifications, Miscellaneous Professional Liability can be included on the Business Owner's Policy (BOP) for up to \$5M in limits, which enables One Policy, One Bill, and the expertise of our Professional Services segment.
- ✓ **Worldwide coverage:** We can provide coverage for work performed around the globe.
- ✓ **Pre-claim assistance:** We cover investigative costs for reported circumstances before it becomes a claim.
- ✓ **Workers' Compensation capabilities:** We provide protection to your client's most valuable asset – their workforce.
- ✓ **CNA Connect®:** Our flagship BOP provides the foundation for broad coverage for businesses with up to \$30M in revenue.

### Additional key CNA Connect® coverages available include:

- Cyber Liability via our Data Breach and Privacy Event Expense
- Passport Access Endorsements to provide property and casualty coverage for firms with foreign travel
- Choice Extra provides a wide range of property coverage enhancements, including a \$250K blanket limit for specified coverages, at a competitive price

### Small Business products available include:

- Workers' Compensation (monoline available)
- Commercial Auto
- Umbrella

CNA technology is **integrated with many quote, rate and bind platforms and custom-built agent and broker platforms.**

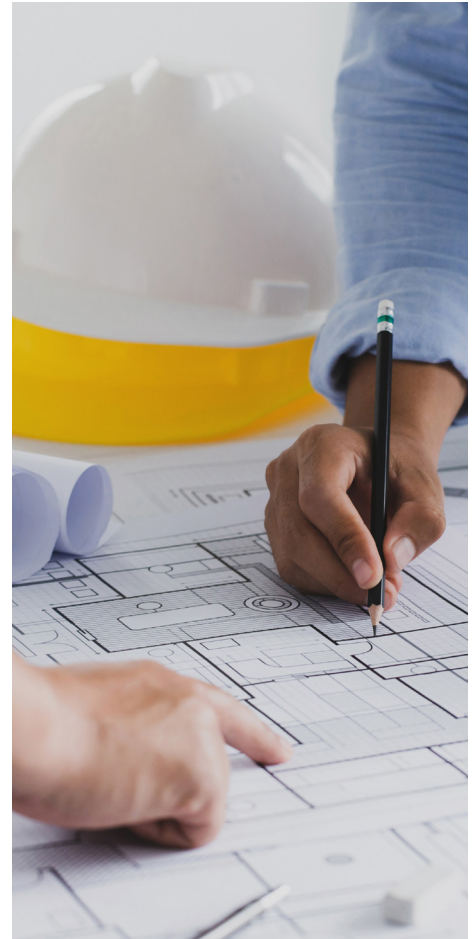

**2024 Ivans Spark Award Winner for sparking digital connectivity** by using technology to support the growth of agency partners across the policy lifecycle.
