A. Optional Selection Of Higher Uninsured Motorists Limits

Uninsured Motorists Coverage provides insurance protection to an insured for compensatory damages which the insured is legally entitled to recover from the owner or operator of an uninsured motor vehicle because of bodily injury or property damage caused by an automobile accident. Also included are damages due to bodily injury or property damage that result from an automobile accident with a hit-and-run vehicle whose owner or operator cannot be identified.

Your policy must include Uninsured Motorists Coverage at limits equal to: (1) split limits of \$25,000 for each person, subject to \$50,000 for each accident with respect to bodily injury, and \$5,000 for each accident with respect to property damage; or (2) a single limit of \$55,000 for each accident, UNLESS you select optional higher limits.

We make available the following limits for Uninsured Motorists Coverage that are higher than the limits described above up to (1) split limits of \$100,000 for each person, subject to \$300,000 for each accident with respect to bodily injury, and \$25,000 for each accident with respect to property damage; or (2) a single limit of \$325,000 for each accident.
