Customized services the world over.

CNA's multinational experts are carefully trained, dedicated specialists who are able to identify global business exposures and create customized insurance solutions. You can also count on superior policy delivery, including published standards, that ensures programs are implemented in a timely and compliant manner. Our dedicated underwriting teams work to evaluate each multinational risk, applying a consistent approach that ensures continuity from country to country. Our long-term partners are committed to CNA's same high standards of responding to customers' needs.

Preventing losses saves money in every currency.

No matter where businesses are, with CNA they have access to certified Risk Control professionals, risk-mitigation programs and online resources that can protect against exposures that could disrupt operations. Our experienced Risk Control consultants have in-depth knowledge and understanding of local laws, regulations and issues. With multinational Risk Control representation, CNA has the capability to provide services that grow to adapt to customers' needs as they expand.

CNA is the only insurance carrier awarded the UL Recognized Risk Engineers designation. UL is a world-wide leader in advancing safety and a global independent safety science company with over 117 years of history.

Superior claim handling, around the world, around the clock.

Consistent and seamless from claim reporting to resolution — that's the CNA approach to claim handling. Beginning with just one phone call to report a claim, available 24/7, your claim is promptly assigned to a highly experienced claim professional specialized in handling claims for your line of business. We have a long and compelling track record of helping customers get their businesses up and running quickly and with as little disruption as possible.

Valuable technologies are a click away.

CNA is committed to providing agencies and customers with the latest, safest, most advanced and user-friendly technology available. Our online portals make businesses more efficient and interactions with CNA more convenient:

- Obtain online intelligence services, including country-risk reports and travel advisories for kidnap, ransom and extortion insured through our security services provider, red24.
- Use the CNA Companion Services® Portal, which provides emergency medical, personal, legal and travel-assistance services to any CNA-insured traveler leaving the country on business.

Count on our world-class stability and financial strength.

For more than 100 years, CNA has earned a reputation as being one of the most trusted commercial insurance companies in the industry. With an "A" rating from A.M. Best and locations throughout the world, we have the experience, global presence and financial strength to be there when you need us.
