

Every surgery center brings unique risks to the operating table. We bring more than 40 years of experience to help manage those risks.

Proven business coverage in an ever-changing healthcare environment

As the healthcare industry evolves, surgery centers are positioned to assume an increasing share of outpatient procedures. That's why it's important that your insurance carrier understands the corresponding shifts in the nature and scale of your business exposures. With more than 40 years of experience in the healthcare industry, CNA is a trusted leader and one of the top five underwriters of healthcare professional liability insurance products and services in the U.S. Our experience in underwriting surgery centers of various types and sizes enables CNA to offer you the valuable insight and core coverages you need to help protect your organization.

An experienced approach to protecting your assets

Our dedicated CNA HealthPro underwriting team consists of professionals with an average of more than 15 years of experience in the allied healthcare facilities market. We understand the ever-changing landscape of the healthcare industry and the unique risks related to the clinical services our customers provide. We draw upon this expertise every day as we work with our customers to determine how the services they provide are evolving in order to further develop tools and tailor coverages to help protect their organizations.
