CNA Connect® Coverage Advantages for Dental Labs

SMALL BUSINESS

Business insurance solutions designed to help keep dental lab owners smiling.

At CNA, we understand the challenges dental labs face each day. That's why we offer CNA Connect®, a comprehensive package of property and liability coverages designed to provide broad and relevant protection for your business, with optional Healthcare Choice Endorsements for added flexibility. Whether you manage a specialty lab or a full service operation, with CNA Connect® you have access to smart protection that can help protect your business and your reputation.

CNA Connect® Coverage Highlights

General Liability Limits — \$2,000,000/\$4,000,000 included in the Dental Lab endorsement

Money & Securities Coverage — included up to the Business Personal Property (BPP) limit

Professional Liability — included in the Dental Lab endorsement

Precious Metals — \$10,000 limit included in the Dental Lab endorsement
