You should read this document carefully and contact us or your agent if you have any questions regarding Uninsured Motorists Coverage and your options with respect to this coverage.

This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations page(s) and/or Schedule(s) for complete information on the coverages you are provided.

Uninsured Motorists Coverage provides insurance protection to an insured for damages which the insured is legally entitled to recover from the owner or operator of an uninsured motor vehicle or an underinsured motor vehicle because of bodily injury or property damage caused by an automobile accident. Also included are damages due to bodily injury or property damage that results from an automobile accident with a hit-and-run vehicle whose owner or operator is unknown.

Your automobile liability policy must include Uninsured Motorists Coverage at limits equal to your policy's Liability Coverage limits unless you select lower limits as described below.

If your policy's Liability Coverage limits exceed the minimum limits required by Virginia law of: (1) split limits of \$30,000 for each person, subject to \$60,000 for each accident with respect to bodily injury, and \$20,000 for each accident with respect to property damage; or (2) a combined single limit of \$80,000 for each accident, you may reject Uninsured Motorists Coverage at limits equal to your policy's Liability limit(s) and select lower limit(s) of Uninsured Motorists Coverage. However, you may not select Uninsured Motorists Coverage limits less than the minimum Liability Coverage limits(s) required by Virginia law .

If you would like to reject uninsured coverage at limits equal to your Liability Coverage limits and select lower limit(s), please indicate your choice as follows:
