

Marine

Marine Liability

Marine operations face unique challenges as global supply chains and economic trends continue to increase in complexity. CNA's Marine General Liability insurance provides comprehensive coverage to help businesses protect what matters most. Our experience as one of the oldest marine insurers enables us to deliver in-depth expertise and a consistent, personalized underwriting approach to meet our clients' evolving needs.

Coverages

CNA's comprehensive Marine General Liability coverage can be coupled with collateral lines, allowing for flexible, tailored solutions to risk exposures.

- Marine General Liability (MGL)
- Mono-Line Marine Liability (Ship Repairers Legal Liability, Stevedores Legal Liability, Terminal Operators' Legal Liability and Charterers' Legal Liability)
- Bumbershoot Liability and Follow Form Marine Excess
- Proprietary Marine Services Liability Policy, including all addendums

Collaborative Approach

Our dedicated underwriting team, Risk Control specialists and Marine Claims professionals openly collaborate and actively listen to brokers, agents and policyholders to better address and mitigate exposures at every stage, and help prepare for emerging trends.

Appetite

- Marine contractors of all types, including but not limited to rip-rap work, shore protection, pile driving, construction or repair of docks, piers, bridges, jetties, wharves, bulkheads and dredging
- Marine subcontractors/tradesmen of all types servicing both recreational and commercial vessels
- Marine terminal operations and stevedore operations
- Commercial ship repairers, shipyards, ship building
- Recreational boat repair, boatyards, boat building
- Marine subcontractors of all types, including but not limited to electrical, welding, HVAC, carpentry, fabrication and barge cleaning
- Marine Related Products Manufacturing
- Ship chandlers and maritime-related part sales
- Charterers
- Marine Professional Services (surveyors, engineers, consultants)

Industry-Leading Risk Control Services

CNA's Risk Control program spans all fields of Marine insurance. Using cutting-edge technology and deep insurance expertise, our Risk Control consultants offer systematic, sustainable solutions that help companies mitigate risk and protect their bottom line.

Claims Specialists

We handle claims worldwide, from reporting to resolution. Our seamless, personalized and consistent approach involves direct access to Claims specialists, such as handling adjusters, to provide superior support for policyholders when and where they need it.

Stability and Financial Strength

CNA is one of the largest U.S. commercial property and casualty insurance companies. Backed by more than 125 years of experience, CNA provides a broad range of standard and specialized insurance products and services for businesses and professionals in the U.S., Canada and Europe.
