

Affinity Programs

Lawyers Professional Liability Risk Control

Clients select a law firm based upon its legal expertise and the ability to serve the client's individual legal needs. Similarly, law firms select CNA as a professional liability insurance carrier based upon CNA's experience and insurance products tailored specifically to lawyers.

With more than 60 years of experience providing lawyers professional liability insurance, CNA offers a broad range of insurance products and solutions through its Underwriting, Claims and Risk Control teams. These specialties work together to develop customized policies, dedicated claim services and proactive risk control resources to address the evolving exposures for solo practitioners to large law firms.

A Dedicated Risk Control Team

CNA understands that law firms face unique challenges. Our Risk Control team, comprised of full-time experienced attorneys, works exclusively with lawyers and law firms. The in-house Risk Control team works closely with underwriting and claims professionals to target emerging risk exposures.

SORCE® On Demand

SORCE® On Demand is a convenient 24/7 online resource that may help manage your legal practice exposures. As a CNA policyholder, you have access to a self-study platform that will help you identify exposures in your legal practice as well as provide relevant risk control techniques that can help you manage and minimize your professional liability risks. This educational platform is easy-to-use and accessible from any computer, laptop or tablet.

CNA has collaborated with the CEU Institute, a leading provider of online continuing legal education, to provide the course content that is available on the self-study platform, which may qualify for premium and CLE credit.

Online Resources

CNA's *Professional Counsel™* and *In Practice... with CNA™* offer practical guides, articles, industry trend studies and other self-help tools, which you can access at cna.com/lawfirms. You may self-register to receive these monthly publications [here](#).

Live Quarterly National Webinars

Live quarterly national webinars are presented by lawyers for lawyers, providing valuable instruction, practical guides, checklists and risk control recommendations to help navigate today's complex legal environment. These courses also may qualify for premium and CLE credit. The live quarterly national webinars may be attended from the convenience of your desk.

Live Seminars

In some jurisdictions, live seminars are presented to CNA-insured lawyers by a member of the CNA Lawyers Professional Liability Risk Control team and a local practitioner. The live seminars provide the same valuable instruction, practical guides, checklists and risk control recommendations as the webinar with the additional benefit of direct access to the presenters to discuss risk control matters. These courses also may qualify for premium and CLE credit.

Firm-specific Seminars

CNA also offers firm-specific risk control seminars available for presentation on-site for the convenience of the insured law firm and its staff. The current risk control program may be presented to a law firm based on availability of the Lawyers' Professional Liability Risk Control team. A seminar fee may be charged for firm-specific seminars. These courses also may qualify for premium and CLE credit.

Intellectual Property Webinars

As part of CNA's Lawyers Professional Liability Risk Control program, an annual webinar series is available for those insured lawyers and law firms concentrating in the area of intellectual property. The annual webinar series is presented four times per year specializing in this area of practice. These courses also may qualify for premium and CLE credit.

Risk Control Hotline

LPL coverage includes the benefit of the CNA Risk Control Hotline, which is staffed by CNA attorneys concentrating in legal ethics and law practice management. The hotline provides CNA policyholders with a resource for discussing issues and questions that arise in day-to-day practice. Please call 1-866-CNA-0034 (866-262-0034).

Allied Vendor Program

CNA has identified companies offering services that may help to strengthen a law firm's risk control protocols and provide needed services outside of an insurance carrier's purview. The companies that participate in CNA's Lawyers Allied Vendor Program can assist in developing critical procedures that may help a law practice avoid and manage professional liability exposures. Many allied vendors offer services at preferred rates for CNA policyholders. Learn more [here](#).

Feedback from webinar attendees:

"One of the best courses I have taken ..."

"The entire presentation was well done, informative, and interesting."

"Presentations were simple, concise and easy to follow."

"The presenters were VERY knowledgeable."

"Good pace and nicely divided topics."

"This was a great and informative seminar."

"Well done! The instructors were well qualified in their areas for their presentations."

Insurance Products and Solutions

In addition to managing the everyday challenges, law firm management seeks to identify and mitigate the pitfalls of their practice. CNA has developed a portfolio of coverage solutions designed to address these issues, including Directors & Officers Liability, Property & Casualty, Workers' Compensation, Cyber Liability and other relevant insurance coverages.
