

International Solutions

CNA Passport®

Coverage for Wherever Business Takes You

Businesses with growing international exposures need tailored coverages to meet their unique demands. That's why we offer CNA Passport® – a customized package policy that addresses your dynamic risks. CNA Passport® covers your employees who travel for work abroad and/or sell products globally. It is perfect for businesses that participate in international exhibitions and trade fairs, or perform service and repair work in foreign countries. Powerful and flexible, CNA Passport® combines with other international and domestic coverages to offer you a seamless approach to managing risk.

Customize the coverages you need most.

CNA Passport® is a single, easy-to-read policy that covers critical financial and personal risks associated with your international operations. It can be tailored with some or all of these additional coverages:

- Business Property (including Business Income & Extra Expense, Equipment Breakdown and Crime Coverages)
- General Liability and Products Liability
- Product Recall Expense
- Employee Benefits Liability
- Automobile DIC/Excess Liability
- Voluntary Workers' Compensation and Employers Liability
- Business Travel Accidental Death and Dismemberment
- Kidnap and Ransom/Wrongful Detention
- WorldAware® Crisis Response Services
- Ocean Cargo
- CNA Companion Services®

Additional coverage highlights offered in CNA Passport® include:

Business Travel Accidental Death and Dismemberment Coverage

- 24/7 program for employees traveling around the world
- Trip-related Accidental Death and Dismemberment included
- Increased limits are available, including medical limits
- Broad scope of covered medical expenses, such as medical care, services or treatment provided by a licensed physician
- Coverage may be further enhanced to include trip-related Medical Expense Benefit coverage
- Definition of insured person broadened to include any employees working outside of their country or domicile, not just U.S. nationals traveling overseas
- Business Travel Accidental Death and Dismemberment coverage applies to all insured's employees, their spouses and dependent children

International Voluntary Workers' Compensation and Employers Liability Coverage

- Political, Security and Natural Catastrophe and Relocation Expense coverage automatically included for employees traveling overseas on business that may be impacted by either political instability or natural disaster in a given country.
- Provides 24/7 coverage for the insured's employees for covered work-related injuries from the time they leave the country until they return safely from international travel.

CNA Paramount®

By leveraging CNA Paramount® property and general liability forms, clients have access to a modular, streamlined and intuitive policy, allowing for the combination of industry-specific endorsements with specialized coverages, and tailored limits that make it easy to create a customized insurance package.

- The international CNA Paramount® coverages were designed with our domestic forms in mind, for improved coverage consistency
- Industry-specific extension endorsements make it easier to tailor coverages
- Basket of property coverages offered under a single limit at no additional charge
- Consistent and concise coverage language in a modern and professional design means a cleaner and easier-to-understand policy form

Get greater peace of mind with value-added travel assistance.

CNA Companion Services® provides emergency medical, personal, legal and travel-assistance services to any CNA Passport®-insured traveler leaving the country on business. Services are available to you 24 hours a day, 365 days a year, from anywhere in the world via an international toll-free telephone number, fax, or the Companion Services® portal.

Look to an experienced carrier to manage your global risks and leverage international claim and risk control expertise.

CNA's multinational experts are in key locations around the world, ready and able to service all CNA lines of insurance with:

- A customer-centric approach to underwriting with in-depth knowledge and understanding of local laws, regulations and issues
- Proven expertise in a variety of industries
- Sophisticated, local claim handling available 24/7
- International access to Risk Control professionals, risk-mitigation programs and online resources
- Contract certainty, thanks to CNA's proven track record for consistent implementation of multinational programs, global regulatory compliance and adherence to local laws

Rely on our stability and financial strength.

For more than 100 years, CNA has provided reliable coverages for a wide range of businesses. With an "A" rating for financial strength by A.M. Best, we provide greater peace of mind, so you can conduct business with confidence both here and abroad.
