

CNA is one of the leading Inland Marine insurers in the world and the premier carrier in North America. We offer complete coverage for accounts with Inland Marine exposures with an array of coverage options to suit all your insurance needs.

Competitive Advantages

- Local expertise with broad underwriting authority
- Capacity to write limits up to \$200 million and above
- We want to write the Inland Marine, even if CNA does not write your client's other insurance coverages
- Financially strong carrier with the ability to write all of your clients' property coverages
- Specialized claims adjusters for heavy equipment and property accounts

Appetite

CNA has an extensive appetite for varied industry groups with an emphasis on:

- Manufacturing
- Financial Institutions
- Commercial Contracting
