Investment Portfolio

Average Credit Quality Rating of A

1. Based on 2016 net written premium, A.M. Best
 2. Represents the combined statutory surplus of Continental Casualty Companies and its subsidiaries
 3. Adjusted operating income of \$792m excludes the impact of LTC charge, retroactive reinsurance accounting and investment accounting change of \$198m, \$54m and \$25m, respectively

“I am pleased with the second quarter’s strong core income of 99 cents per share, and combined with our first quarter performance generated a first half core income of \$2.02 per share, which is the highest first-half result in over 10 years. Our first half underlying combined ratio of 94.3% improved 1.6 points compared with the first half of 2017. These results give me confidence in the ongoing progress CNA is making in our journey of generating sustained top-quartile underwriting performance.”
