CNA has been a leading underwriter in the inland marine, warranty and service contract markets since the 1990’s. Our deep insurance knowledge and specialization allows us to provide customized insurance solutions in a broad array of industries across a wide range of products.

CNA Warranty and Alternative Risks can design unique solutions to address your complex regulatory, marketing and risk transfer needs. We specialize in transferring liability through full reimbursement and failure to perform contractual liability insurance policies. Insurance producers, third party administrators, original equipment manufacturers and self administrators look to us for innovative program structures.

CNA provides full reimbursement or failure to perform insurance coverage to the Obligor or Program Manager for the protection plans issued to consumers or businesses. Eligible programs include:

- consumer electronics, major appliances
- computers and peripheral equipment
- home warranties
- sporting goods and fitness equipment
- lawn and garden equipment
- OEM limited warranties
- medical equipment and devices
- small business office equipment
- vehicle service contracts
- guaranteed asset protection
- tire & wheel
- affinity programs and products

Through CNA National, our award-winning vehicle service contact administrator, we also provide a full array of auto protection products and services focused on franchised auto dealers.

A dedicated, experienced team of Warranty professionals

Our diversified team is knowledgeable and experienced on all sides of the warranty value chain. Our underwriters are industry veterans who understand the challenges associated with protection plans and the covered products. We have the expertise and flexibility to tackle complex exposures and coverage requirements. CNA’s actuarial analysts have the skills to accurately price product exposures to accommodate unique risks and coverage structures. Our expertise, resources and flexibility allow us to understand client needs and recommend superior solutions that meet those needs.

A claim service team that’s reliable and responsive.

Accidents happen, claims are inevitable. That’s why CNA has partnered with the industry’s most experienced third party administrators and program managers to handle claims quickly and fairly.

Why CNA?

With an “A” rating for financial strength and over 100 years of insurance industry expertise, our reputation is built on a solid foundation. CNA is a member of the Service Contract Industry Council (SCIC) and the Electronics Components Industry Association (ECIA). When you’re looking for a team of veteran underwriters, skilled actuaries and claim specialists who can provide industry-leading solutions ... we can show you more.
