## Frequently Asked Questions (FAQs)

## Frequently Asked Questions (FAQs)

---

- **Does CNA have a Vendor Registration Database?**—Yes. Please logon to [www.cna.com](http://www.cna.com) and register your company.
- **Will vendors receive notification from CNA that my registration has been received?**—Yes. The system will provide acknowledgement of registration; however, vendors may not receive a communication from a CNA representative until our internal customers make a request for goods or services that fall within your area of expertise.
- **What if there are no immediate opportunities available?**—Vendor profiles will remain in our database until the right opportunity arises. Vendors are responsible for updating their profile as events or activities within the company change.
- **What criteria does CNA use in selecting a minority supplier?**—Selection criteria for a project are driven primarily by our internal customers (i.e., depends on the need). Once Requirements are developed, we identify supplier candidates whose products or services can fulfill the requirements. Then we may reach out to the supplier directly, or issue a Request for Proposal.
- **What is Certification?**—Validation from a third party organization (e.g., NMSDC, WBENC, government entity) that your company is indeed 51% owned, operated, and controlled by an M/WBE.

## Frequently Asked Questions (FAQs)

---

- **Does Certification guarantee a vendor's ability to conduct business with CNA?** No. Certification only guarantees that a company will be considered (along with other vendors) for an opportunity when the right project arises. Vendors still need to be the most qualified in all other respects to ultimately win the business.
- **Is certification required to do business with CNA as a diverse supplier?**—Yes. While all vendors are encouraged to seek to do business with CNA, only companies that are **CERTIFIED** as Minority and Women Owned Businesses are counted toward our Supplier Diversity goals.
- **Who buys specific products or services and how can I contact them?** Please see the contact list on slide 13.
