CNA ComPass™

A strong, diversified network including 227 business partners in 167 countries and growing

Companies with diverse global holdings are increasingly turning to CNA to insure their exposures. With partners in 167 countries around the globe, our strategic network allows us to service multinational organizations with complex local policy requirements through our WorldPass® Controlled Master Program policies. The CNA ComPass™ platform enables us to more efficiently and effectively place business on our agents' and brokers' behalf, providing a value-added service without them even having to use the platform.

CNA's Strategic Network Capabilities Include:

- Timely and consistent administration of each CNA WorldPass® program
- Global leverage through locally owned branches and network partners around the world
- Multiple partners within the same country to better serve our clients
- Flexibility of pricing and terms driven by controlling underwriter (subject to tariff)

Real-time Policy Reporting

CNA arranges for the issuance of local admitted policies on behalf of our insureds through our CNA offices and Network Partners via the CNA ComPass™ platform. This state-of-the-art platform manages policy issuance globally, and enables CNA to provide real-time local admitted policy issuance status updates. We can provide this status for each local admitted policy we arrange at any point during the local policy issuance cycle (from start to finish). The result is a truly global account management process for our insureds. **Refer to the guidelines on how to access CNA International policies placed through CNA ComPass™ on page 2.**

Accessing CNA International Policies on CNA Central

CNA ComPass™ provides agents and brokers with access to their International policies on CNA Central. For assistance, use these [access instructions](#) (with screenshots) or follow these steps:

1. Log into CNA Central at cnacentral.com.
2. In the left navigation bar, click "Service My Accounts" and then "Electronic Document Delivery."
3. In the Electronic Document Delivery section, complete the fields for "Branch Code" and "Producer Code."

Note: Refer to the specific Premium Invoice you received for the WorldPass® policy for the two codes. Located at the top right of the invoice, these appear as numbers ending with 884.
4. The next screen will populate all policies that have been uploaded under the unique Branch/Producer code selected.
 - This screen enables filtering capabilities, allowing you to search based on Policy Number, Customer Name and Effective As Of. (When searching by Policy Number, do not include the WP or PST prefixes, just the number.)
 - Available documents will appear on this screen with a "View Document" link to the right. Agents/brokers without CNA Central access: Contact your CNA FSS Representative to gain access. For additional assistance, please contact 1-800-262-4357 (1-800-CNA-HELP).
