# Property and General Liability Coverage for Drones

Increasingly, businesses use unmanned aerial vehicles (drones) for inspection, wedding videography, photography, project monitoring and more. And as the number of commercial drones continues to grow, so do the potential risks. Not only can an accident or equipment failure cause damages, but companies that use drones may need insurance to get a permit or work with a client.

That's why, as part of our comprehensive suite of products for small businesses, CNA offers a Drone endorsement which includes options for General Liability, General Liability including Personal and Advertising Injury, and Property coverages.

### Customized Coverage Made Easy

Drone coverage is available as an endorsement on CNA Connect®, our flagship Businessowners policy, which is available for over 600 classes of business. This means one policy, one bill and the simple quoting process on CNA Central.

In addition to simplifying the insurance process and helping minimize coverage gaps, the Drone endorsement also eliminates guesswork for agents by including flat rating charges based on limits and coverages selected.

#### Coverage Overview:

- **Drone liability coverage** includes Bodily Injury and Property Damage with an option to add Personal & Advertising Injury\*.
- **Drone property coverage** insures loss or damage to an unmanned aircraft during transportation and preparation – not just while it's in flight. Property coverage limits available are \$5,000, \$10,000, \$25,000 and \$50,000. Liability coverage is required when property coverage is selected.

#### Eligible Exposures Include:

- Commercial drones weighing less than 55 lbs.
- Risks in compliance with FAA regulations and requirements
- Risks which do not hold Restricted Airspace/Operation near Aircraft waiver (107.37)

#### Who Needs Coverage:

This coverage is available for all Small Business Class codes, and is especially valuable for:

- Photographers/videographers
- Contractors
- Real estate agents
- Architects
- Engineers
- Advertising agencies

\* PI/AI coverage is not available on Technology classes of business.
